A BILL FOR AN ACT to amend the Indiana Code concerning local government.

*Be it enacted by the General Assembly of the State of Indiana:*

1       SECTION 1. IC 36-7-14-25.1, AS AMENDED BY P.L.185-2005,  
2       SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
3       JULY 1, 2006]: Sec. 25.1. (a) In addition to other methods of raising  
4       money for property acquisition or redevelopment in a redevelopment  
5       project area, and in anticipation of the special tax to be levied under  
6       section 27 of this chapter, the taxes allocated under section 39 of this  
7       chapter, or other revenues of the district, or any combination of these  
8       sources, the redevelopment commission may, by resolution and subject  
9       to subsection (p), issue the bonds of the special taxing district in the  
10      name of the unit. The amount of the bonds may not exceed the total, as  
11      estimated by the commission, of all expenses reasonably incurred in  
12      connection with the acquisition and redevelopment of the property,  
13      including:

- 14           (1) the total cost of all land, rights-of-way, and other property to  
15           be acquired and redeveloped;  
16           (2) all reasonable and necessary architectural, engineering, legal,  
17           financing, accounting, advertising, bond discount, and

supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;

(3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the extent the redevelopment commission determines that a reserve is reasonably required; and  
(4) expenses that the redevelopment commission is required or permitted to pay under IC 8-23-17.

(b) If the redevelopment commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;
- (2) the place or places at which the bonds are payable; and
- (3) the term of the bonds, which may not exceed fifty (50) years.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the redevelopment commission.

(d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds, subject to subsection (p). The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds must be executed by the appropriate officer of the unit, and attested by the municipal or county fiscal officer.

(f) The bonds are exempt from taxation for all purposes.

(g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

(h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

**C  
O  
P  
Y**

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

(1) from a special tax levied upon all of the property in the taxing district, as provided by section 27 of this chapter;

(2) from the tax proceeds allocated under section 39(b)(2) of this chapter;

(3) from other revenues available to the redevelopment commission; or

(4) from a combination of the methods stated in subdivisions (1) through (3).

If the bonds are payable solely from the tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers to remonstrate against the issuance of bonds apply to bonds issued under this chapter, except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be deposited in the allocation fund established under section 39(b)(2) of this chapter.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or

**C

trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than:

(1) three million dollars (\$3,000,000), **in the case of bonds other than bonds described in subdivision (2); or**

(2) one million dollars (\$1,000,000), **in the case of bonds:**

(A) **issued to finance a program for housing established under section 46 of this chapter; or**

(B) **otherwise payable from an allocation area established for a program for housing established under section 46 of this chapter;**

the bonds may not be issued without the approval, by resolution, of the legislative body of the unit.

SECTION 2. IC 36-7-14-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 35. (a) In order to:

(1) undertake survey and planning activities under this chapter;

(2) undertake and carry out any redevelopment project, ~~or~~ urban renewal project, **or housing program;**

(3) pay principal and interest on any advances;

(4) pay or retire any bonds and interest on them; or

(5) refund loans previously made under this section;

the redevelopment commission may apply for and accept advances, short term and long term loans, grants, contributions, and any other form of financial assistance from the federal government, or from any of its agencies. The commission may also enter into and carry out contracts and agreements in connection with that financial assistance upon the terms and conditions that the commission considers reasonable and appropriate, as long as those terms and conditions are not inconsistent with the purposes of this chapter. The provisions of

such a contract or agreement in regard to the handling, deposit, and application of project funds, as well as all other provisions, are valid and binding on the unit or its executive departments and officers, as well as the commission, notwithstanding any other provision of this chapter.

(b) The redevelopment commission may issue and sell bonds, notes, or warrants to the federal government to evidence short term or long term loans made under this section, without notice of sale being given or a public offering being made.

(c) Notwithstanding the provisions of this or any other chapter, bonds, notes, or warrants issued by the redevelopment commission under this section may:

- (1) be in the amounts, form, or denomination;
- (2) be either coupon or registered;
- (3) carry conversion or other privileges;
- (4) have a rank or priority;
- (5) be of such description;
- (6) be secured (subject to other provisions of this section) in such manner;
- (7) bear interest at a rate or rates;
- (8) be payable as to both principal and interest in a medium of payment, at a time or times (which may be upon demand) and at a place or places;
- (9) be subject to terms of redemption (with or without premium);
- (10) contain or be subject to any covenants, conditions, and provisions; and
- (11) have any other characteristics;

that the commission considers reasonable and appropriate.

(d) Bonds, notes, or warrants issued under this section are not an indebtedness of the unit or taxing district within the meaning of any constitutional or statutory limitation of indebtedness. The bonds, notes, or warrants are not payable from or secured by a levy of taxes, but are payable only from and secured only by income, funds, and properties of the project becoming available to the redevelopment commission under this chapter, as the commission specifies in the resolution authorizing their issuance.

(e) Bonds, notes, or warrants issued under this section are exempt from taxation for all purposes.

(f) Bonds, notes, or warrants issued under this section must be executed by the appropriate officers of the unit in the name of the "City (or Town or County) of \_\_\_\_\_, Department of Redevelopment", and must be attested by the appropriate officers of the

1 unit.

2 (g) Following the adoption of the resolution authorizing the issuance  
3 of bonds, notes, or warrants under this section, the redevelopment  
4 commission shall certify a copy of that resolution to the officers of the  
5 unit who have duties with respect to bonds, notes, or warrants of the  
6 unit. At the proper time, the commission shall deliver to the officers the  
7 unexecuted bonds, notes, or warrants prepared for execution in  
8 accordance with the resolution.

9 (h) All bonds, notes, or warrants issued under this section shall be  
10 sold by the officers of the unit who have duties with respect to the sale  
11 of bonds, notes, or warrants of the unit. If an officer whose signature  
12 appears on any bonds, notes, or warrants issued under this section  
13 leaves office before their delivery, the signature remains valid and  
14 sufficient for all purposes as if ~~he~~ **the officer** had remained in office  
15 until the delivery.

16 (i) If at any time during the life of a loan contract or agreement  
17 under this section the redevelopment commission can obtain loans for  
18 the purposes of this section from sources other than the federal  
19 government at interest rates not less favorable than provided in the loan  
20 contract or agreement, and if the loan contract or agreement so permits,  
21 the commission may do so and may pledge the loan contract and any  
22 rights under that contract as security for the repayment of the loans  
23 obtained from other sources. Any loan under this subsection may be  
24 evidenced by bonds, notes, or warrants issued and secured in the same  
25 manner as provided in this section for loans from the federal  
26 government. These bonds, notes, or warrants may be sold at either  
27 public or private sale, as the commission considers appropriate.

28 (j) Money obtained from the federal government or from other  
29 sources under this section, and money that is required by a contract or  
30 agreement under this section to be used for project expenditure  
31 purposes, repayment of survey and planning advances, or repayment of  
32 temporary or definitive loans, may be expended by the redevelopment  
33 commission without regard to any law pertaining to the making and  
34 approval of budgets, appropriations, and expenditures.

35 (k) Bonds, notes, or warrants issued under this section are declared  
36 to be issued for an essential public and governmental purpose.

37 SECTION 3. IC 36-7-14-45 IS ADDED TO THE INDIANA CODE

**O**  
**P**  
**Y**

(2) The planning, replanning, development, and redevelopment of housing within blighted, deteriorated, or deteriorating areas are public and governmental functions that cannot be accomplished through the ordinary operations of private enterprise because of:

(A) the necessity for requiring the proper use of the land so as to best serve the interests of the city and its citizens; and

(B) the costs of these functions.

(3) The provision of affordable housing for persons of low or moderate income does not compete with the ordinary operation of private enterprise.

(4) It is in the public interest that work on the provision of housing be commenced as soon as possible to relieve the need for this housing, which is an emergency.

(5) The absence of affordable housing in blighted, deteriorated, or deteriorating areas requires excessive and disproportionate expenditures of public funds for crime prevention, public health and safety, fire and accident prevention, and other public services and facilities.

(6) The planning, replanning, development, and redevelopment of housing within blighted, deteriorated, or deteriorating areas will do the following:

(A) Benefit the health, safety, morals, and welfare of the city.

(B) Serve to protect and increase property values in the city.

(C) Benefit persons of low and moderate income by making affordable housing available to them.

(D) Reduce public expenditures required for governmental functions such as police and fire protection and other services.

(7) The planning, replanning, development, and redevelopment of housing within blighted, deteriorated, or deteriorating areas under this section and sections 46 through 49 of this chapter are:

(A) necessary to the public interest; and

(B) public uses and purposes for which public money may be spent and private property may be acquired.

(b) This section and sections 46 through 49 of this chapter shall be liberally construed to carry out the purposes of this chapter.

SECTION 4. IC 36-7-14-46 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY

1, 2006]: Sec. 46. (a) The commission may establish a program for housing by resolution. The program, which may include any elements the commission considers appropriate, may be adopted as part of a redevelopment plan or amendment to a redevelopment plan, and must establish an allocation area for purposes of sections 39 and 49 of this chapter for the accomplishment of the program.

(b) The notice and hearing provisions of sections 17 and 17.5 of this chapter apply to the resolution adopted under subsection (a). Judicial review of the resolution may be made under section 18 of this chapter.

(c) Before formal submission of any housing program to the commission, the department of redevelopment:

(1) shall consult with persons interested in or affected by the proposed program;

(2) shall provide the affected neighborhood associations, residents, and township assessors with an adequate opportunity to participate in an advisory role in planning, implementing, and evaluating the proposed program; and

(3) may hold public meetings in the affected neighborhood to obtain the views of neighborhood associations and residents.

SECTION 5. IC 36-7-14-47 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 47. (1) The special tax levied in accordance with section 27 of this chapter may be used to accomplish the housing program.

(2) Bonds may be issued under this chapter to accomplish the housing program, but only one (1) issue of bonds may be issued and payable from increments in any allocation area except for refunding bonds or bonds issued in an amount necessary to complete a housing program for which bonds were previously issued.

(3) Leases may be entered into under this chapter to accomplish the housing program.

(4) The tax exemptions set forth in section 37 of this chapter are applicable.

(5) Property taxes may be allocated under section 39 of this chapter.

4 **section 46 of this chapter:**

5 (1) The program meets the purposes of section 45 of this  
6 chapter.

7 (2) The program cannot be accomplished by regulatory  
8 processes or by the ordinary operation of private enterprise  
9 because of:

10 (A) lack of public improvements;

11 (B) existence of improvements or conditions that lower the  
12 value of the land below that of nearby land; or

13 (C) other similar conditions.

14 (3) The public health and welfare will be benefited by  
15 accomplishment of the program.

16 (4) The accomplishment of the program will be of public

33 (B) The parcel is the subject of a governmental order,  
34 issued under a statute or an ordinance, requiring the

38 are delinquent.

39 (D) The parcel is owned by local, state, or federal  
40 government.

41 (9) The total area within the allocation area does not exceed

SECTION 7. IC 36-7-14-49 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: **Sec. 49. (a) Notwithstanding section 39(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 46 of this chapter, "base assessed value" means the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 39(h) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.**

**(b) The allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 46 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:**

**(1) The construction, rehabilitation, or repair of residential units within the allocation area.**

**(2) The construction, reconstruction, or repair of any infrastructure (including streets, sidewalks, and sewers) within or serving the allocation area.**

**(3) The acquisition of real property and interests in real property within the allocation area.**

**(4) The demolition of real property within the allocation area.**

**(5) The provision of financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.**

**(6) The provision of financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).**

**(7) Providing each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, the commission may provide this credit only if the municipal legislative body establishes the credit by ordinance adopted in the year before the year in which the credit is provided.**

**(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 46 of this chapter shall be determined as follows:**

**C

**STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.**

**STEP TWO: Divide:**

**(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4(a)(1) that is attributable to the taxing district; by**

**(B) the amount determined under STEP ONE.**

**STEP THREE: Multiply:**

**(A) the STEP TWO quotient; by**

**(B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.**

**(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c). Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable on May 10 and November 10 of a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:**

**(1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.**

**(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.**

**(3) If bonds of a lessor under section 25.2 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.**

**If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.**

**(e) Notwithstanding section 39(b) of this chapter, the allocation fund established under section 39(b) of this chapter for the**

1 allocation area for a program adopted under section 46 of this  
2 chapter may only be used to do one (1) or both of the following:

3 (1) Accomplish one (1) or more of the actions set forth in  
4 section 39(b)(2)(A) through 39(b)(2)(H) and 39(b)(2)(J) of this  
5 chapter for property that is residential in nature.

6 (2) Reimburse the municipality for expenditures made by the  
7 municipality in order to accomplish the housing program in  
8 that allocation area.

9 The allocation fund may not be used for operating expenses of the  
10 commission.

11 (f) Notwithstanding section 39(b) of this chapter, the  
12 commission shall, relative to the allocation fund established under  
13 section 39(b) of this chapter for an allocation area for a program  
14 adopted under section 46 of this chapter, do the following before  
15 July 15 of each year:

16 (1) Determine the amount, if any, by which property taxes  
17 payable to the allocation fund in the following year will exceed  
18 the amount of property taxes necessary:

19 (A) to make, when due, principal and interest payments on  
20 bonds described in section 39(b)(2) of this chapter;

21 (B) to pay the amount necessary for other purposes  
22 described in section 39(b)(2) of this chapter; and

23 (C) to reimburse the municipality for anticipated  
24 expenditures described in subsection (e)(2).

25 (2) Notify the county auditor of the amount, if any, of excess  
26 property taxes that the commission has determined may be  
27 paid to the respective taxing units in the manner prescribed  
28 in section 39(b)(1) of this chapter.

29 (g) This subsection applies to an allocation area only to the  
30 extent that the net assessed value of property that is assessed as  
31 residential property under the rules of the department of local  
32 government finance is not included in the base assessed value. If  
33 property tax installments with respect to a homestead (as defined  
34 in IC 6-1.1-20.9-1) are due in installments established by the  
35 department of local government finance under IC 6-1.1-22-9.5,  
36 each taxpayer subject to those installments in an allocation area is  
37 entitled to an additional credit under subsection (d) for the taxes  
38 (as defined in IC 6-1.1-21-2) due in installments. The credit shall be  
39 applied in the same proportion to each installment of taxes (as  
40 defined in IC 6-1.1-21-2).

### COMMITTEE REPORT

Mr. Speaker: Your Committee on Ways and Means, to which was referred House Bill 1222, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 36-7-14-25.1, AS AMENDED BY P.L.185-2005, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 25.1. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 27 of this chapter, the taxes allocated under section 39 of this chapter, or other revenues of the district, or any combination of these sources, the redevelopment commission may, by resolution and subject to subsection (p), issue the bonds of the special taxing district in the name of the unit. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

- (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;
- (2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;
- (3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the extent the redevelopment commission determines that a reserve is reasonably required; and
- (4) expenses that the redevelopment commission is required or permitted to pay under IC 8-23-17.

(b) If the redevelopment commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;
- (2) the place or places at which the bonds are payable; and
- (3) the term of the bonds, which may not exceed fifty (50) years.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the redevelopment commission.

(d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds, subject to subsection (p). The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds must be executed by the appropriate officer of the unit, and attested by the municipal or county fiscal officer.

(f) The bonds are exempt from taxation for all purposes.

(g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

(h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

- (1) from a special tax levied upon all of the property in the taxing district, as provided by section 27 of this chapter;
- (2) from the tax proceeds allocated under section 39(b)(2) of this chapter;

(3) from other revenues available to the redevelopment commission; or

(4) from a combination of the methods stated in subdivisions (1) through (3).

If the bonds are payable solely from the tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers to remonstrate against the issuance of bonds apply to bonds issued under this chapter, except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be deposited in the allocation fund established under section 39(b)(2) of this chapter.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the

duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than:

**(1) three million dollars (\$3,000,000), in the case of bonds other than bonds described in subdivision (2); or**

**(2) one million dollars (\$1,000,000), in the case of bonds:**

**(A) issued to finance a program for housing established under section 46 of this chapter; or**

**(B) otherwise payable from an allocation area established for a program for housing established under section 46 of this chapter;**

the bonds may not be issued without the approval, by resolution, of the legislative body of the unit."

Renumber all SECTIONS consecutively.

and when so amended that said bill do pass.
